

## Mixology Package Cocktail Menu - 2020/2021

Let 2x RSA accredited mixologists (4x hours included) serve all your beverages including up to 3x cocktails of choice. **This package includes non-alcoholic mixers & pre-prepared garnishes of choice for the first 100 cocktails total** (you just supply the alcohol - see below), complimentary 150 pieces of glassware of choice\*, ice bucket, on-tap serving / bar menu signs & bar tender equipment (wine / spirit measures, cocktail shakers, rapid pour spirit bottle tops & ice scoops for staff use), and all base inclusions for your chosen bar configuration.

In complying with WA Liquor Licensing Restrictions we are unable to sell you alcohol directly as our venue changes with every event! Instead we allow you to source the alcohol - either from our supplier ([WA Liquor Wholesalers](#)) where we will even collect it and pre-chill it on your behalf, or from your favourite retailer (i.e. Dan Murphy's who even offer a buy-back scheme on un-opened purchases - great if you're unsure of the quantity to purchase!)

*Have something else in mind? Get in touch to see if we can supply the mixers and condiments to match!*
