

Mixology Package Cocktail Menu - 21/22 Season

In complying with WA Liquor Licensing Restrictions we are unable to sell you alcohol directly as our venue changes with every event! Instead we allow you to source the alcohol - either from our supplier ([WA Liquor Wholesalers](#)) where we will even collect it and pre-chill it on your behalf, or from your favourite retailer (i.e. Dan Murphy's who even offer a buy-back scheme on un-opened purchases - great if you're unsure of the quantity to purchase!)

Please Note: We are unable to always guarantee the availability of pre-requested cocktails. Our cocktail guru Simon will work with you prior to your event to ensure the seasonal availability of ingredients, and recommend substitutes in the event specific ingredients are unable to be reasonably sourced from local suppliers or importers.

We are more than happy to accommodate cocktail requests. A small surcharge may apply for where non-standard or special order ingredients (mixers or condiments) are required.

Have something else in mind? Get in touch to see ^{piece} if we can supply the mixers and condiments to match!
